

Climate & Severe Weather decision record

Event e1d370e6-7281-4e34-8a59-d6118c7ed0a1 · Assessment 1 · 2026-09-15T03:08:55.263Z

DEMO — Operational exercise · Severe storm · DEMO region

Operational Plan v0.6 DRAFT · Rules climate-v0.6-implementation-1. Decision support; no enterprise residual-risk determination. Times include UTC offset where recorded.

System recommendation and human decision

Recommended: T1 — HEADS-UP

Validate exposure and issue proportionate awareness.

- Credible emerging threat intersects identified exposure.
- Severe storm T1: Severe weather/thunderstorm risk intersects relevant geography. Evidence: Simulated inject supports this condition.

Human: T1 — HEADS-UP

Decision-maker: Exercise delegate · Authority: Business Continuity & Resilience Lead · At: 2026-09-15T03:08:55.263Z

Decision / override rationale: Recommendation accepted without additional rationale.

Assessment evidence

Title	DEMO — Operational exercise
Assessor	Exercise operator
Hazard	storm
Geography	DEMO region
Source	Simulated emergency agency
Reference	Not recorded / unknown
Advice	GENERAL
Advice Details	Exercise only — follow authoritative instructions
Timing	Exercise window
Rate	UNKNOWN
Notes	Not recorded / unknown
Centres	DEMO-CENTRE-001
Workforce	DEMO meaningful workforce concentration
People	Not recorded / unknown
Commuting	Not recorded / unknown
Attendance	Not recorded / unknown
Travelling	Not recorded / unknown
Remote	Not recorded / unknown
Other Exposure	Not recorded / unknown
Exposure	CONFIRMED

Impacts	People safety: NONE; Commuting: NONE; Attendance: NONE; Business Centre access: NONE; Power: NONE; Connectivity: NONE; Critical scheduled activity: NONE; Operational capability: NONE; Dependencies: NONE; Other: NONE
Impact Notes	Not recorded / unknown
Conditions	T1
Condition Evidence	Simulated inject supports this condition.
Protective Advice	NO
Unsafe	NO
Conflicting	NO
Proportionate Action	Share authoritative guidance; validate safe travel and flexible work.
Critical	NO
Critical Operation	Not recorded / unknown
Critical Dependency	Not recorded / unknown
Impact Tolerance	Not recorded / unknown
Critical Rationale	No operation / dependency exposure identified in exercise.
Property Status	UNKNOWN
Enterprise Needs	None recorded
Primary Available	YES
Authority	Business Continuity & Resilience Lead
Authority Evidence	Exercise role and delegated mandate confirmed
Broad Direction	NO
Director Approval	Not recorded / unknown
Phase	ASSESS
Recovery	People welfare and ability to work: UNKNOWN; Business Centre availability and enterprise advice: UNKNOWN; Practical access: UNKNOWN; Transport: UNKNOWN; Utilities and connectivity: UNKNOWN; Operational backlog: UNKNOWN; Current enterprise advice: UNKNOWN; Communication completed: UNKNOWN; Lessons identified: UNKNOWN
Recovery Notes	Not recorded / unknown
Next Review	2026-10-10T08:00:00.000Z

Business Centre snapshots

Id: DEMO-CENTRE-001; Name: DEMO — Example Business Centre; Location: Synthetic location; State: Not recorded / unknown; Region: Not recorded / unknown; Coordinates: Not recorded / unknown; Status: UNKNOWN; People: 120; Attendance: Not recorded / unknown; Alternative Work: Not recorded / unknown; Hazards: DEMO storm / flood; Dependencies: DEMO power / telecommunications; Property Reference: Not recorded / unknown; Validation: DEMO; Validated At: Not recorded / unknown; Confidence: UNKNOWN; Notes: Not recorded / unknown

Recommended actions

- Advise relevant leaders; identify affected teams and planned attendance / travel.

- Check warning geography, access / transport and enterprise advice.

Enterprise escalation

Clarify enterprise Property / site status using the current BC Manual.

Communication and next review

Core decision coordination: Microsoft Teams. Workforce: Email; People Leader cascade where required. State what, where / when, implications, action and next update.

Assessed next review: 2026-10-10T08:00:00.000Z

Current event review (may have changed later): 2026-10-10T08:00:00.000Z

Unresolved information

- Total people exposure is not entered; review the register estimate and uncounted workforce.

Operational statuses at this assessment

Actions: None recorded; Communications: None recorded; Escalations: None recorded
